REFERENCE :

Professional Recommendation for Polish Hardwood Flooring, Inc.

To Whom It May Concern:

We have had the pleasure of hiring this company for many of our hardwood flooring projects since 2008. Gregory has shown great professionalism and coordination on any of our projects. His knowledge and expertise in hardwood flooring selection, installation and finishing is also very valuable.

The company, including the employees have always conducted themselves in a professional manner at all times and were dedicated to the job at hand.

If you require further information please contact our office.

Sincerely,

Sid Green
Manager
