Re: Polish Hardwood Flooring

To whom it may concern:

SDS Builders is a subdivision of SDS Development in Brooklyn, New York. We have been working with Polish Hardwood Flooring for the past four years. In that period, Polish has completed several high end jobs including One Prospect Place (Richard Meier in Brooklyn); The Lincoln Condominium in Park Slope, Brooklyn; 100 Congress in Brooklyn; Tribeca Lofts Condominium in Manhattan; as well as other jobs directly with our buyers.

The quality of their work has been consistently good as well as their ability to man jobs and deal with aggressive deadlines.

Should you want additional information, feel free to call me at 917.359.8763.

Respectfully yours,
